Please note that the rates for these Payroll Matching items; Retirement, State Health/HMO and State Life Insurance, are calculated by taking total fringe costs and dividing them by total payroll costs in the Sponsored Research Trust Fund. Specific benefit rates can be found on the Human Resources Web Page; http://www.hr.ucf.edu/.

Please note also that the FICA Alternative Plan reduces Payroll Matching for FICA to 1.45%. This information can be found on the Human Resources Web Page also.

Miscellaneous Fringe items are not applied during the Payroll process but are charged once a month during the month end closing process and are based on all Sponsored Research Trust Fund payroll entries.

These rates are subject to change each January and July. A copy of this memo can be found on the F&A web page at http://www.fa.ucf.edu/ in the Contracts & Grants section.
